Nuria,

The JCI Tyco Final PA has been revised to address comments you provided on March 10. Please let us know if you have any additional comments or questions. A redline version of the report is attached for your convenience. Tetra Tech's deliverable is the attached PDF file version only.

Thank you,
Kris

Kris and Alicia:

Ex. 5 Deliberative Process (DP)

I will approve the document when we get the PDF with the above revisions. Meanwhile can you please confirm that all the references are in Sharepoint?

I am preparing to send them to the record center and make them zip the files to share with the petitioners and all other stakeholders on Monday.

Thanks again for the effort.

I am starting the review on JCI /Tyco.. now
Been working on Gelman most of the morning.

Let me know if you had a chance to review it or if you found anything worth fixing.
